Computing in Cardiology 2018

Dear CinC 2018,

This letter is to confirm the eligibility of Brian Zenger for his submission for reduced registration fee. Brian is an MD/PhD student in the Department of Bioengineering and School of Medicine and meets all the requirements for the reduced registration program. I will attend the CinC meeting (of course) and Brian is first author of the submission, lead the research, analysis, and writing of the manuscript, and will also attend the conference.

Sincerely,

Rob MacLeod, Ph.D.
University of Utah
Professor of Bioengineering and Internal Medicine
Associate Chair and Head of Undergraduate Program in Biomedical Engineering
